U.S. Census Bureau American Community Survey (ACS) 2013-2017. Note that this data is based on a sample, and contains a margin of error which can be obtained through the Census Bureau's American FactFinder website. For information on the difference between the ACS and the Decennial Census, see:  
<http://planning.westchestergov.com/census-and-statistics>

\*Square mileage represents land area and inland waterbodies, but does not include Hudson River or Long Island Sound areas and their inlets within a municipality.

\*\*The Total Poverty Universe number differs from the Total Population number because not all people included in the American Community Survey sample reported on their income. For more information visit the American FactFinder on the U.S. Census Bureau website.
